"I.Con Twins is the ultimate mover and shaker. They are a dynamic duo!"

-Saadia Usman, BBC Host & RTHK Producer

"I.Con Twins are all about 'Setting Fires' to unconventional expectations."

-Chris Gillett, South China Morning Post

"I.Con Twins killed it at their RAW Reflect Showcase! Can't wait to see them both on stage again!"

-Michelle Bylow, Director of Canada, RAW Artists

"I.Con Twins is a talented duo with high potential to succeed in the music industry."

-The Voice of China (Hong Kong)

"I.Con Twins share their transformational journey with examples and 4 principles of success. My students was inspired by the story and very engaging experience. It was great experience! They discussed with me about the students learning. Professional. It's interesting to hear their passion story. If you want to know what true happiness is...how to achieve it then must listen to them. Highly recommended! "

-Usman Sadiq, SAIT School of Business

"Working with I.Con Twins was definitely an amazing experience. They were easy to work with, clear, and communicated well. Working with I.Con Twins was a true pleasure. The guests felt connected and supported, and it was much more than a performance. They also connected to the audience and spoke to deeper issues of worth, value, and support for strong mental health. I.Con Twins have an excellent energy of support, kindness, and excellence. Working with I.Con Twins was truly a pleasure!"

-Abe Brown, CEO & Founder, Flourishing Coaching

"We loved having the I.Con Twins perform at our Grand Opening. It was a positive, energetic way to entertain our guests with a purpose of empowerment. I highly recommend them for your event."

-Connie Jakab, Director of Community, Flourishing Coaching Program
